

Problem

- Homes without a security system are three times more likely to be burglarised [1]
- Robbery victims report high levels of fear and often suffer from trauma and distress, with 50% experiencing psychiatric issues weeks later [2]

62,787

- The number of burglaries and robberies reported in U.S. college dorms over the past two years. [3]

- 1 in 4 business travellers reported experiencing hotel crime [4]

Target Market

People seeking temporary housing seek enhanced security in their living spaces, such as dorms, Airbnbs, hotels, etc.

- 44.1 million American households are renters; 33.4% of the population [4]
- U.S. security market is worth about \$12.5 billion. [1]

ALERTMATE

MADISON BRANDAO | ANNA NOTO | FAIZAH MUTHANA

Empowering individuals residing in temporary accommodations with reliable, affordable, and portable security solutions that ensure peace of mind.

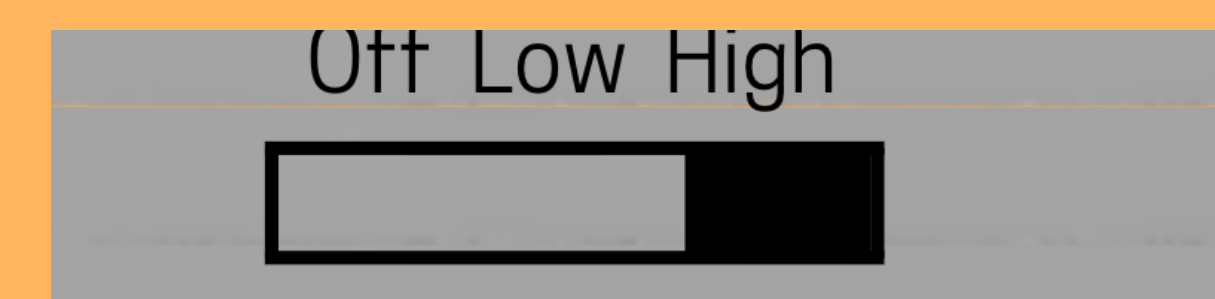

SPRING '24

AlertMate In Use

Step 1: Place sensor and magnet securely onto desired door frame or window using Command strips for optimal placement

Step 2: Customize the alarm volume to suit your preferences by adjusting the settings accordingly

AlertMate sensor activated. If emergency, please call 911

Step 3: Upon activation of the sensor and magnet, the alarm will promptly sound, and a text message notification will be sent to the user

Step 4: Once the user no longer requires the alarm, simply remove the Command strip from the wall, allowing for effortless detachment. Store the sensors in a secure location for future use

Customer Needs

Competitive Advantage

- Compact and lightweight
- Tech Integration
- Affordable
- No subscription required
- Easy to use
- Compatible with all surfaces

Business Estimation

- Per unit: \$30
- Selling price: \$60
- Aiming for 1% of the 44 million renters, we plan to reach 441,000 households in five years, with annual sales of 88,200 units, generating \$5,292,000 in revenue.
